About Us

Our Mission

To combine traditional recipes with modern techniques while offering the best quality natural food.

Our Vision

*To be Turkey's most successful qualified-food brand by 2030.
(This success is based on satisfaction among employee, customer and supplier, social responsibility and principles of sustainability.)*

Our Values

- To be virtuous.*
- To achieve success as a team.*
- To enrich all Karya Group's employees.*
- To respecting beliefs and differences.*
- To achieve the ability of being flexible, situational and fast.*
- To bring the most competent employees in the field to the company.*
- To demonstrate a scientific approach and to use technology effectively.*
- Not letting well enough alone, pursuing continuous improvement and development.*
- To show the will and courage to take action instead of complaining.*
- To carry out all activities in accordance with legal and ethical rules.*
- To act fairly and honestly in all our dealings.*
- To apply the right employee strategy to the right job.*
- To be customer-focused in all processes.*
- To specialize in its field thoroughly.*
- To challenge and overcome difficulties.*
