**Our company is a family business established 70 years ago.**

**Our company history began when our grandfather started trading dried fruits in 1950. As the second and third generation, by specializing in dried fruit, we founded GÜLMAŞ Food Industry, one of the most experienced teams and a pioneering company in this sector.**

Based on the experience and know-how of our past, we continue to work with a sincere and professional approach in all aspects, from production to customer relations after sales, with the principle of 100% customer satisfaction. Gülmaş Food Industry, which emphasizes quality, hygiene and technology in its production process, has international quality certificates such as ISO-22000 and Halal Food. Our company is wide open to new technologies and new ideas; is a dynamic and constantly evolving organization and is the constant follower of the latest technology.

#### **Our Mission**

*As Gülmaş Food Industry; to become a company that achieves superior success in the dried fruit and nut sector, especially in figs, apricots and dried fruit.*

#### **Our Vision**

*To launch our company in the countries where we have export potential and maximize customer satisfaction as a reliable brand.*
